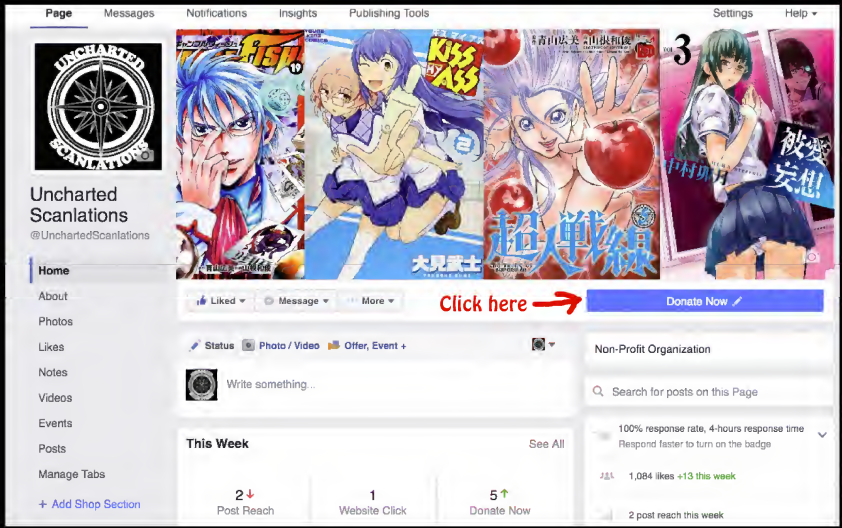
WE NEED MORE REDRAWERS AND SCANLATORS!!!

First of all, I wish you guys happy holidays with the winter vacation arriving this month. I know, I know, you guys are worried about whether or not Ninkoi will be truly completed by yours truly. Here's the deal, I got two part time jobs after finishing school this year, and I'm recovering from a cold.

But one thing for sure, this project is not going anywhere! So Merry Christmas/Happy Hannukah/Kwanzaa/Whatever holidays you celebrate!

ATTENTION TO ALL READERS



Since Patreon hasn't been working out well for me, I decide that it's time that I switch to Paypal donations to support the scanlation series. It's great to have free content to read online, but unfortunately, most of what I do cost money. Sometimes, not even my job can cover the expenses in finding new chapters to scan and edit.
